Your Love Broke Through (Vigil/Healy) Vigil Entertainment

This project has been an incredible journey.

It is the result of many compassionate

people sharing their hopes, dreams

and heartfelt desires to bring joy,

inspiration and healing to us all.

Music is the heart and soul of who I am,

and it is my wish that these songs

bring us all closer together.

I have the love of friends & family surrounding me; without their help, none of this could have happened.

Thank you to Tamie, Eddie K, Lance, Brian & Donna for moving mountains to make this CD a reality.

Special thanks to Steve Weisberg, lead guitar player for John Denver during all of the big touring years,

it was amazing to have you as a part of this tribute.

J.D., you continue to inspire the world, and I am honored to "keep the dream alive"

- it is a privilege to sing your songs.
